

Woodlawn United Methodist Church Piecemakers make 60 lap quilts every year to honor the courageous service men and women who attend the Wounded Warrior Retreat twice a year at Panama City, Florida. The Piecemakers also make "Heart-2-Heart" quilted pillows for open heart surgery patients, "Welcome" tote bags for a women's shelter, decorated fabric bags for walkers and wheelchair patients, and "burp pads" and wash cloths for new mothers. The Piecemakers are a group of dedicated ladies just looking for a way to use our God given talents to serve others.
